

## TV and Film

**Sonik Risk Management specialize in providing professional security services tailored to the unique needs of the TV and Film industry.**

From protecting high-profile cast and crew members on set to overseeing the red carpet at premieres, our SIA-certified officers ensure a safe and secure environment for everyone involved. We understand the importance of confidentiality, discretion, and efficiency, which is why we go above and beyond to safeguard the most valuable assets of the production, including props, sets, and industry equipment. Our experienced security team provides expert set watch services, diligently overseeing every aspect of production to protect both tangible and intellectual property. We ensure that all security measures are in line with industry standards, including F.A.C.T/ GDPR/ NDA policies, to maintain strict control over access on and off set, preventing unauthorized entry and potential breaches.

Whether it's managing the flow of people at a red carpet event or securing high-value film equipment and props on set, Sonik Risk Management is your trusted partner in providing reliable, professional, and discreet security solutions for the entertainment industry
